Outreach & Enrollment

California Hospital is supporting SCFHC in the effort to expand South Central Family Health Center’s patient base to include incremental young families and mothers to be. Joint marketing programs where advertising/promotional expenses are shared on a 50/50 basis are a successful means of growing a practice. Additionally, they offer a physician recruitment loan program. We are currently developing this agreement.

My Health LA Audit

The South Central Family Health Center (SCFC) & the Huntington Park Family Health Center (HP) had the first audit for the new My Health LA Program from 5/12-5/15/ 2015. The audit was conducted by the Department of Health Services - Los Angeles County - Managed Care Services -Quality Management & Clinical Compliance. The audit included facility, medical records and Human Resources for both sites. Results for this audit will be coming within a few weeks.
