

South Central Family Health Center

Board of Directors Meeting

June 30, 2015

Operations Update:

We've had a busy week month. The new construction for the new Vernon Building will be starting 6/29/ 2015. We are in the process of reorganizing employee parking, facilitating access to the construction workers and the implementation of the timeline of the Milestone Events for the construction.

- Programs: We are actively working in the County Program, My Health L A Reenrollment (MHLA) period, coordinating notifications to patients, via telephone, mail and outreach.
- MHLA Audit Corrective Action Plan (CAP): Coordinating the pending items needed for the CAP submission with Medical Administration and Quality Improvement Department. The audit took place 5/12-5/15/ 2015. The CAP is due June 30, 2015. We have enrolled approximately around 1,400 to date.
- Dental: Coordinating with the Patient Services Representative's Manager and the Dental Director staff coverage for leave of absence due to surgery, as well as providing support for scanning of dental documents.
- Disaster Preparedness: Ongoing meeting for the program's requirements with the SCFCH main site (meeting every other Friday at 2:00 p.m.) to get paid for the participation.
- Managed Care Annual Physical Evaluation (PE): Coordinating and insuring with the site's managers the eligibility for all P.E. scheduled to meet the deadlines for incentive pay as well as monitoring and coordination of recruitment and retentions of all HMO Patients.
- National Health Week Community Health Centers Celebration – August 9-15, 2015: Planning an event with the team for August 13 at South Central and the Huntington Park Family Health Center. More information will be provided next month.
- Meaningful Use (TEXTING): In order to meet the requirements for Meaningful Use, we are currently developing a plan for patient notification via texting.
