

**South Central Family Health Center
Board of Directors
CEO Report**

July 30, 2013

SCFHC Health Center Overview for the month:

- Dr. Raya-Morones and clinical staff preparing for flu season.
- New medical providers starting in July, Dr. Flores, in August Dr. Smith, and Dr. Castilla and in September Dr. Youranaki.
- HRSA response to meet productivity goals
- South Central Family Health Center Picnic August 4, 2013, 12-4 pm. Kenneth Hahn Park
- National Health Center Week - SCFHC Summer Health Festival Update- August 16, 2013 from 9am-2pm
- Preparing for the implementation of the Patient Protection and Affordable Care Act (PPACA) also known as Obamacare
- Huntington Park Site Reconfiguration/Remodeling Update For the First Floor
- We were scheduled to begin Radiology examinations in-house by the middle of July. Once in place our patients will have same day access in-house to the latest x-ray diagnosis. This service had been delayed because of licensing and electronic computer hardware and software installations that were required at our clinic and our Radiologist consultant.
- HRSA approved proposal for Outreach and Enrollment in the amount of \$171,574 (\$4,000 more than our request)
- Karl Kirschgessner Foundation approved proposal in the amount of \$23,000 to increase retinal screenings
- New funding opportunity with Boeing Company of California for exercise Zumba grant
