## WHAT IS VISION CARE?

Vision care is the range of services that promote the health of the eyes.

### Did you know a yearly eye exam can detect:

- Diabetes
  - Diabetic retinopathy
- Hypertension
- Multiple sclerosis
- Lupus
- Sickle cell disease
- Astigmatism

**Prevent vision loss and come in for your yearly eye exam.**

**(323) 908-4200**

**[www.scfhc.org](http://www.scfhc.org)**

of Optometry**

SCFHC's Vision Care Center is one of the few clinics in South LA and Montebello offering full-scope vision services. Our state-of-the-art facilities feature brand-NEW:

- Exam rooms
- Autorefractors

- Phoropters
- Slit-lamps
- AND MORE

Keeping with SCFHC's mission, all services and products at our Vision Care Center are provided on a sliding-fee scale when patients do not have insurance.
